

M.D.C.S. 4th Grade Spelling Activity: Syllables

Print each spelling word below, count the syllables, and reprint your word, but breaking into syllables (leave a blank space on paper between each syllable). After you have broken your word into syllables, place a long syllable mark over the vowels that are long. If the spelling word has no long vowels, please make a note in the last column. See the three examples completed for you.

| Print spelling words below: | How many syllables? | Spelling words broken into syllables. |
|-----------------------------|---------------------|---------------------------------------|
| Example: Saturday | 3 | Sat ur dāy |
| Example: reinvented | 4 | rē in vent ed |
| Example: drama | 2 | dra ma (no long syllables) |
