#### PLEASE NOTE:

- We reserve the right to "trail modify" your child's clothing if it encumbers their ability to hike safely (i.e. excessively long pant legs may be cut to size to avoid tripping and falling).
- It may be tempting to pack more than what is listed above. Please resist the
  temptation! This list will get the job done wonderfully while avoiding the much
  weightier problem of having a super-heavy pack. You'd be amazed how quickly
  those extra ¼ pounds add up to a big burden.
- If you have any questions regarding this list, please do not hesitate to call me at 488-1222.
