Bus Schedule

Please do not pull up any further than the back of Bus #5.

Jackson Plaza Stop

In the area between the light posts and buses, no vehicles may move before the buses leave. Make sure bus lights are off and buses are moving before exiting the area.

Mountain Discovery Charter School is looking for highly qualified teachers for 3rd, 5th and Middle School Math who will challenge students by providing a rigorous and caring learning environment for the 2026-2027 school year. We believe that all staff are “CREW” and not passengers. Therefore, potential candidates should strive to be part of the larger community by being involved, willing to change, and work outside your comfort zone to make the whole school better.
